Step 3: Pre-Show Learning add-ons will appear. Scroll down to find “Pro Builder & Pro Remodeler’s U40 Leadership Summit” and click “Add”

Pre-Show Learning

NAHB Education Courses are one-day courses allowing participants to increase their skill sets by delving deep into topics.

The Pre-show Symposiums are in-depth, full-day intensive programs in a small, informal setting where participants gain critical segments of the housing sector with industry-leading education and content experts, network with peers, and share challenges and best practices.

Pro Builder and Pro Remodeler's U40 Leadership Summit is a one day educational and networking event for building and remodeling company owners, leaders, management-level sales, marketing, purchasing, operations, and design professionals.
